Board Decisions

Junior Membership is now 35 and under.

WCC is going to sell 20/8 year memberships for \$10,000 (plus tax) to be used for Debt reduction.

Members can buy a guest card of 10 plays for \$250, but only one per year

The 12 mile radius has been moved to 15 miles. This means anyone living within the 15 mile radius can play only 5 times a year and with a member only.

Superintendent

Winter is here and we are working on limbing up cedar trees in between holes. This will help with the air flow on the back side, which will lessen our disease pressure. Our crew is small and I we want to get a large portion done this winter, weather permitting. I am going to send out an e-mail to everyone, letting them know of upcoming volunteer days, starting next year.

Two hole locations have been placed in the greens to reduce wear, please rotate the flagstick to the other location after you have played the hole.

Thanks, WCC Maintenance
